

Dead-end for Figure 8 Drop Wire Messenger

Weight: 0.00kg

Dimensions: 0.00cm x 0.00cm x 0.00cm

Description

There is no quicker, easier way to attach Figure-8 drop wire or cable than with **PREFORMED Dead-ends for Figure-8** RG-59/U coaxial cable messenger.

Features

- Helical shape insures low distribution of holding stresses and prevents premature fatigue breakage
- False or Double Dead-ending can be accomplished without cutting the wire
